SUMMARY

Proactive Front-End Developer with 3 years of experience building dynamic and scalable interfaces using React and TypeScript. Eager to join an innovative and collaborative environment where I can continue growing professionally, contribute to creative solution design, and support the continuous improvement of user experience and processes.

EXPERIENCE

FRONT-END DEVELOPER

Clorian

Spain · April 2024 – September 2025

- Developed dynamic and scalable interfaces using React, TypeScript, CSS/SASS, and jQuery, prioritizing user experience and performance.
- Collaborated in Scrum teams with designers and backend developers, ensuring iterative and high-value deliveries.
- Applied Vitest and other testing tools to guarantee code quality and reduce production errors.
- Performed maintenance and performance optimization on existing applications, achieving faster load times and improved usability.
- Built internal, cross-platform applications with Tauri, streamlining the company's internal processes.
- Actively collaborated in translating designs into functional code, maintaining visual fidelity and brand consistency.
- Contributed to the development of a native component library, implementing low-level solutions with minimal dependencies.

JUNIOR FRONT-END DEVELOPER

Las Villas

June 2023 – January 2024, Venezuela

- Developed web applications using React.js and TypeScript to build interactive and efficient user interfaces.
- Collaborated closely with designers and backend teams to implement features and enhance user experience.
- Utilized tools such as Redux to manage application state and improve code scalability.
- Participated in planning meetings and code reviews within an agile software development environment.
- Integrated external APIs to enrich web application functionality, ensuring smooth communication between frontend and backend systems.

EDUCATION

Associate Degree in Software Development

ISTEA · Buenos Aires · Currently pursuing

The Complete JavaScript Course 2024: From Zero to Expert!

Udemy · Estados Unidos · 2023

React - The Complete Guide 2024 (incl. React Router & Redux)

Udemy · Estados Unidos · 2023
